

WEEKLY REPORT

Student ID: 18DCS125	Student Name: Dipal Surati
From Date:28/04/2020	To Date:04/05/2020
Semester: IV	Internship ID:53

Work done in last week:

1. Learning Flutter Configuration
2. Learning of Dart Programming Language
3. Learning of basic concepts of flutter such as widgets, assets, containers, etc.
4. Learning the connection of firebase with demo app built in flutter

Plans for next week:

1. Connecting the actual app with firebase
2. Fetching of data stored in the firebase to output it in the app
