

## WEEKLY REPORT

Student ID:18DCS125	Student Name: Dipal Surati
From Date:21/04/2020	To Date:27/04/2020
Semester: IV	Internship ID:53

### Work done in last week:

1. Understanding the project definition completely
2. Researching the tools and technologies that will be suitable for the project
3. Clarification of role of the members

### Plans for next week:

1. Learning and exploring the technology that seems suitable
2. Deciding a basic layout and flow for the project
